Resource use authorization

In order to apply for a permit, you are required to hold, or have applied for, one of the following resource use authorizations. Select the resource authorization that applies to your project:

- an approved operating plan within the meaning of the *Quartz Mining Act*;
- a licence issued under section 135 of the *Quartz Mining Act*;
- an approved operating plan within the meaning of the *Placer Mining Act*;
- an oil and gas disposition within the meaning of the *Oil and Gas Act*;
- a lease of land granted under the *Quarry Regulations* for the purpose of operating a pit or quarry;
- a licence or permit to mine coal issued under the *Coal Regulation*;
- a lease of a location for coal mining purposes issued under the *Coal Regulation*;
- a lease issued under the *Dredging Regulation*;
- a lease or permit issued under the *Territorial Lands (Yukon) Act* or the *Lands Act* for the purpose of generating electricity from a renewable energy generation project and associated Water Licence.

Note: Attach either a copy of your authorization or confirmation the application is submitted.

Provide a concise description of your project:

Note: If you are applying for a primary permit that connects to this resource road, include both applications as part of one submission.

Explain why use of the resource road is required to access the area relevant to your resource use authorization:

Will you be using the resource road to connect:

- to a resource road for which you have applied or hold a primary permit?
- directly to the area for which you hold or have applied for a resource use authorization?

Describe how you will connect the resource road to your destination:

Overview sketch

Attach map(s) of the area to your application (NTS 1:50,000). Include:

- a detailed map of the route proposed to access the resource; and
- identify all resource roads, trails, roads and highways in the area and indicate whether they will be used.

Road use

Describe how you intend to use the resource road. Include information on equipment and vehicles that will be used as well as the time of day, frequency and duration of use:

Have you entered into a user agreement with the primary permit holder? Yes No

If yes, provide a copy of the user agreement with the application.

Does your use of the resource road conform with the approved operational plan? Yes No

Explain why or why not:

First Nation and stakeholder engagement

Have you discussed the proposed operation with any First Nations, individuals or organizations that may be affected by the project? If so, indicate who and what input you have received (e.g. any concerns you are aware of, support for the project, interest in participation, other input):

Schedule of fees

Signature – applicant or owner consent

I/we certify that all of the submitted information is true and correct to the best of my/our knowledge and belief.

I/we understand that any misrepresentation of submitted data may invalidate any approval of this application.

I/we confirm that, if approval is granted, all work or activities will be undertaken consistently as outlined in this application and in compliance with any terms or conditions as may be specified or contained in said permit or in the permit of the primary permit holder.

I/we consent to sharing, and/or having Government of Yukon share my/our contact information with other authorized road users.

I/we acknowledge that:

- An access permit holder is not entitled to exclusive use of the road and will be shared with other users that hold the primary permit, an access permit, or access authorization to use the resource road.
- The multi-use of the road will be a condition of the permit.
- My use of the road may be suspended or terminated if the primary permit for the road is suspended or terminated.
- My use of the road may result in additional maintenance or reclamation costs and therefore, I may be required to pay security.
