^P = preliminary

¹ Includes people who receive regular income benefits whether or not they participate in one of three employment benefit programs, namely Skills Development Program, Job Creation Partnerships Program and Self-employment Program.

² The numbers may not add up to totals due to rounding.

Notes to Readers:

- The number of regular EI beneficiaries for the current month and the previous month are subject to revision.
- The number of beneficiaries is a measure of all people who received regular EI benefits from December 8 to 14, 2024. This period coincides with the reference week of the Labour Force Survey.
- The number of beneficiaries represents a count of persons who qualified for employment insurance benefits during the Labour Force Survey reference week, usually containing the 15th day of the month.
- Figures are rounded to the nearest 10.
