

# Apply for a sewage disposal system permit

If your building is not connected to a municipal sewer system, you need a sewage disposal permit.

## How to apply

### Online application **NEW**

1. Log in to the sewage disposal permit application system.
2. Complete the application and upload all required documents using PDF or word format.

You can also submit your application in person or by email or fax

1. Download and complete the application form
2. Submit:
  - In person: Environmental Health Services, #2 Hospital Road, Whitehorse.
  - By email: [environmental.health@yukon.ca](mailto:environmental.health@yukon.ca)
  - Fax: 867-667-8322

## Fees and payments

- Permit fee: \$50 (after approval)
- Payment options: Online, by phone, in person (debit or credit)

All sewage disposal permit applications require submission of a soil sample. You can drop off a soil sample to Environmental Health Services at #2 Hospital Road, Whitehorse, Yukon.
