

Highway and Public Works

## **MEMORANDUM**

**From:** Policy and Communications

**Subject:** Spring Road Weight Restrictions

**Date:** June 10, 2026

Spring weight restrictions have been lifted on many roads throughout the Yukon. However, restrictions are still in effect on some secondary roads as of Wednesday, June 10.

The following secondary roads are all restricted to 75% of legal loading. These include:

### **Off Takhini River Road**

- Gully Road
- Takhini River Road

### **Off Top of the World Highway**

- Black Bear Place
- Clinton Creek Road
- Sunnydale Road
- Fox Farm Road
- Northern Lights View
- Clinton Creek Road
- Sixty Mile Road

### **Off Robert Campbell Highway**

- Simpson Lake Road
- Windid Lake Road

### **Off Alaska Highway**

- Teslin Lake Cottage Road
- Cormier Creek Road
- Johnson's Crossing Road
- Cranberry Road
- Nothru Road
- Hett Hase Drive
- Henry Road
- Brook's Brook Road
- Upper Liard Road
- River Road

### **Off North Klondike Highway**

- Braeburn Lake Lane
- Freegold Road
- Casino Way
- Mount Nansen Road

You can find more information on spring weight restrictions here:

[https://yukon.ca/.../road\\_conditions/find-road-conditions](https://yukon.ca/.../road_conditions/find-road-conditions).

Commercial carriers can also call our weigh scales to find out the status of highway restrictions. This includes the Whitehorse weigh scale: 867-667-5729 and the Watson Lake weigh scale: 867-536-7400.
