

Evacuation Alert **RESCINDED**

For all Old Crow evacuation zones

May 24, 2024 at 11:00 a.m.

The Revised Evacuation Alert for Zone 1 issued on May 21 has been rescinded.

The Evacuation Alert for Zones 2 and 3 was rescinded on May 21.

There are no evacuation alerts remaining in place for Old Crow. The Government of Yukon downgraded the Flood Watch for the Porcupine River to a High Streamflow Advisory today at 10:15 a.m. No major flooding is expected while the High Streamflow Advisory is in place.
