

YUKON NOMINEE PROGRAM (YNP) APPLICATION PACKAGE

The Yukon Nominee Program (YNP) is employer-driven. This means that **the employer is the applicant and will submit the application**, not the potential nominee (hereafter referred to as the “foreign national”). The employer is responsible for verifying all information in the application package.

Before you start

- All applications must be typed; handwritten submissions will not be accepted.
- All signatures must be in ink, do not use pencil.
- Print your application and all supporting documents single-sided.
- Make sure you’re eligible and that you understand your responsibilities. As the applicant, you must keep informed on official updates, alerts, announcements or developments available at yukon.ca/immigrate-yukon.
- You must read the [Application Handbook](#) – it will help you work through this application.
- If you are using a legal representative, [form IMM5476](#) must be included with your application.
- All fields are mandatory. Employers are responsible for submitting complete applications. Incomplete applications will not be processed. Immigration officers may request additional documents at any stage during the review process.
- This application is valid only for the calendar year in which it is submitted and will not carry forward to a future year.

How it works

This package is made up of four parts.

- Step 1: Employer completes Part 1 and Part 2.
- Step 2: Foreign national completes Part 3 and Part 4 then sends back to the employer.
- Step 3: Employer reviews Part 3 and verifies the foreign national’s documents.
- Step 4: Employer signs Part 4 and submits completed package to the Government of Yukon.

How to submit

Only employers who receive an Invitation to Apply (ITA) can submit an application. The foreign national sends their documents to the employer. The employer submits the entire package to the Government of Yukon.

Read ITA for instructions on how to submit your application.
