

Commitment to Yukon Service

Yukon Health Care and Social Services Bursary

Please initial beside each statement below to confirm your understanding

Initial here _____	I hereby declare that I am committed to contributing to the health and wellness of Yukoners. Within one year of completing my studies, I will make every effort to return to the Yukon and work in a health care or social services position serving Yukoners.
Initial here _____	It is my responsibility to return to the Yukon to practice my profession upon the completion of my studies
Initial here _____	I understand that I may be asked to provide evidence demonstrating that I have actively applied for relevant positions in my field within Yukon. Any decision regarding repayment of the bursary will be based on the information I provide.
Initial here _____	I do not have a return of service agreement with any other jurisdiction, province or territory outside of the Yukon.
Initial here _____	I acknowledge the receipt of this bursary does not guarantee me employment within the Yukon Health Care and Social Services system.

I understand that initialling beside all statements above and signing and dating this *Commitment to Yukon Service* are required steps to be eligible for consideration for the Yukon Health Care and Social Services Bursary this year.
