### Takhini Burn Special Terms and Conditions

- The Permittee must use the designated existing access to the harvest area identified by the map and signage.
- Access to the area is permitted only when the road is frozen or dry to ensure no rutting on the access route, and the development of new access is not permitted.
- The Permittee must follow the access signage and may only harvest within the flagged boundaries to ensure that no harvesting occurs on First Nations Settlement Land.
- For additional information, please contact the Forest Management Branch Office at (867) 456-3999

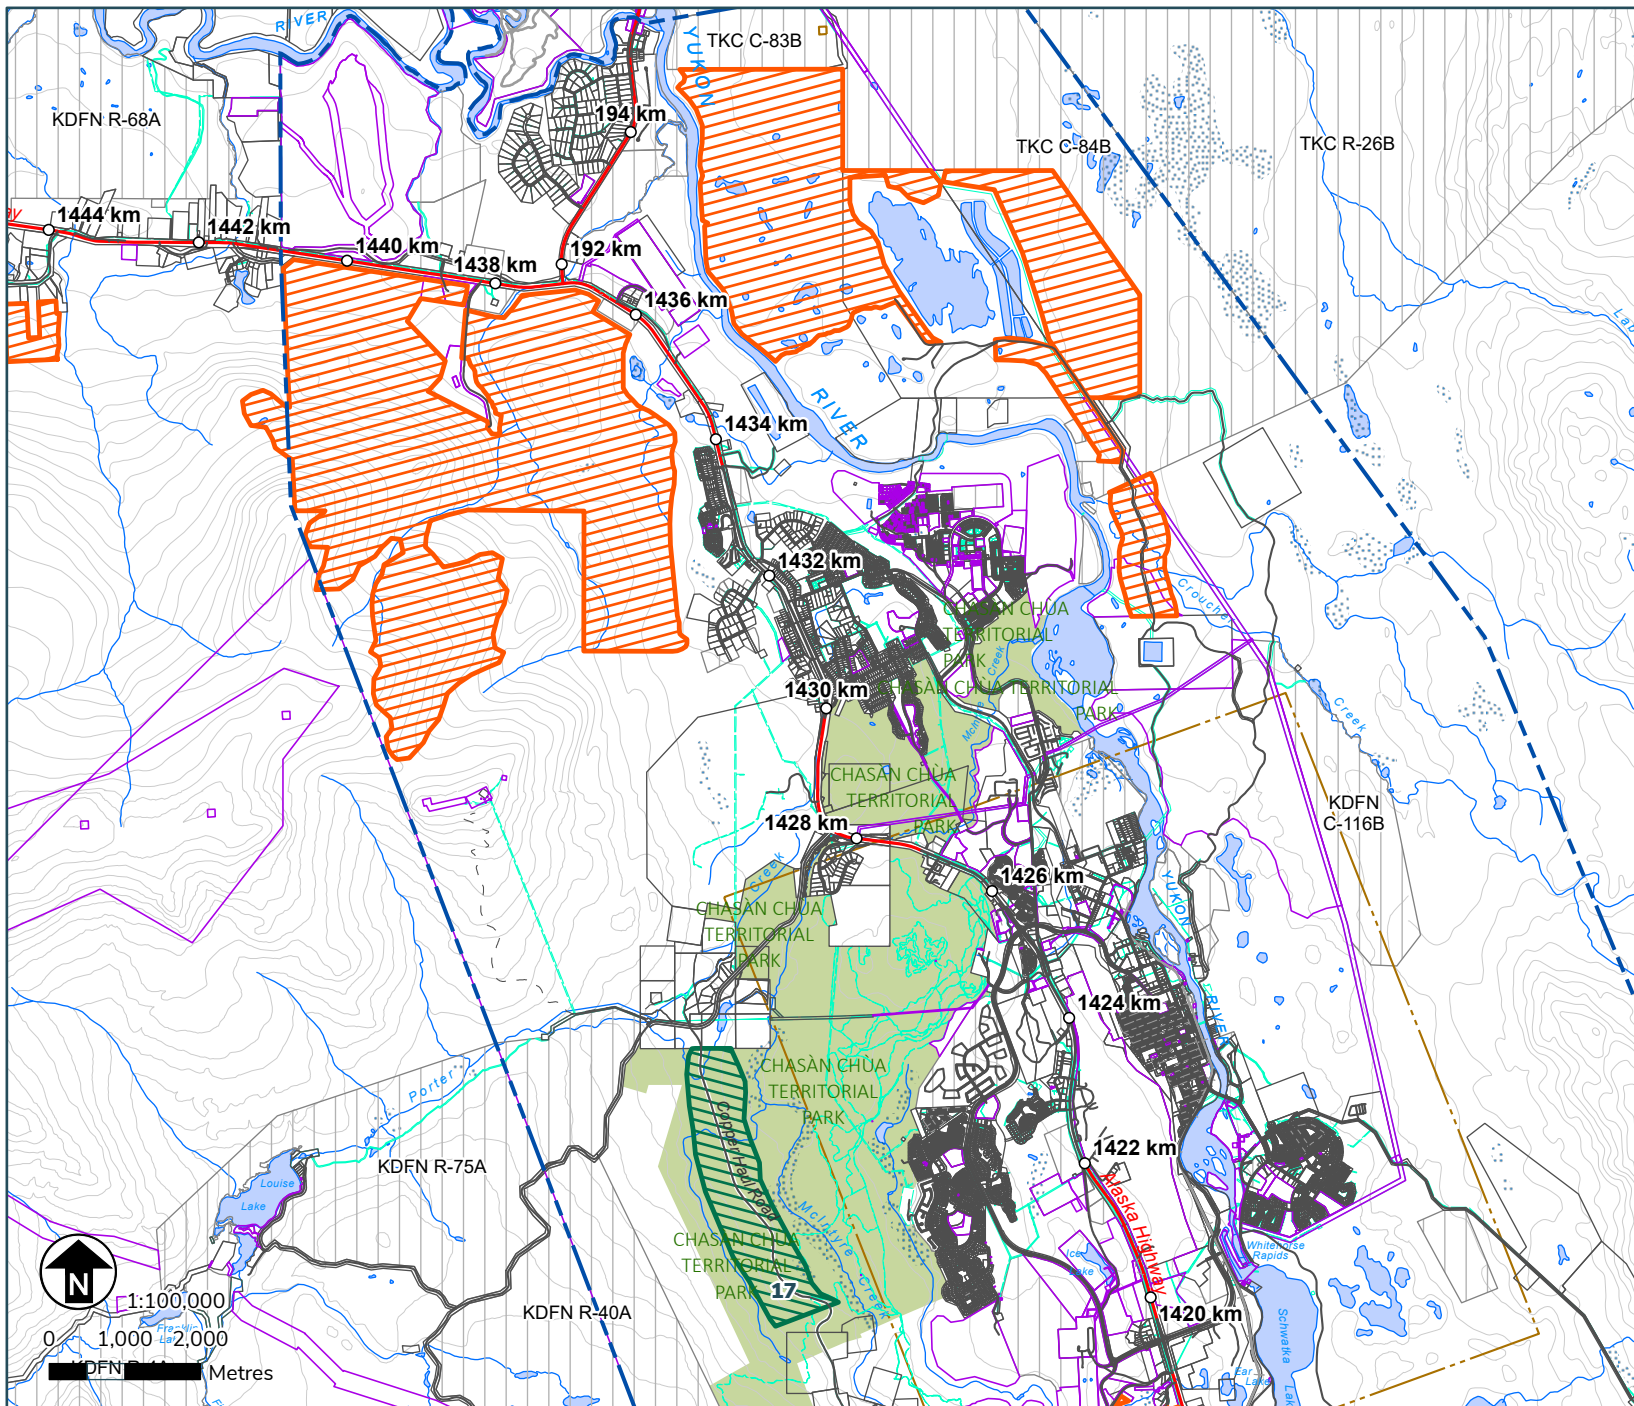

## Terms & Conditions Reference:

23. The Permittee must follow the access signage and may only harvest within the flagged boundaries to ensure that no harvesting occurs on First Nations Settlement Land.

This map is not your permit. Permits can be acquired at Compliance, Monitoring and Inspections offices or online. Terms and conditions apply to all permits.
