Note to readers:

- Seasonally adjusted data facilitate month-to-month comparisons by removing the effects of seasonal variation.
- Unadjusted data facilitate comparisons of the cumulative change throughout a calendar year.
- Data in this release are presented in current dollars and do not account for inflation.
- Data are subject to revision based on late responses, delayed construction start dates for large projects, methodological changes, classification updates, price index updates for constant dollar series, benchmarking and adjustments to ad hoc macroeconomic events.
