^r = revised

^p = preliminary

¹ Wholesale (sales and inventories) values in this release exclude *Petroleum, petroleum products, and other hydrocarbons*; and exclude *Oilseed and grain*. These exclusions allow greater comparability between figures for Canada and Yukon.

² All values are in current dollars.

³ Percent changes are based on rounded numbers.

Note to readers:

- Wholesale sales data for Yukon presented in this report were unavailable due to residual suppression from July 2022 to November 2024 (seasonally adjusted data) and from July 2022 to October 2024 (unadjusted data).
- Seasonally adjusted data facilitate month-to-month comparisons by removing the effects of seasonal variation.
- Unadjusted data facilitate comparisons of the cumulative change throughout a calendar year.
- Data in this release are presented in current dollars and do not account for inflation.
- Changes in value and percentage changes presented in this release are derived from rounded numbers.
