

Memorandum

Date: January 26, 2026
To: Healthcare Practitioners
From: Insured Health Services
Subject: Formulary Updates January 2026

Dear Healthcare Practitioner,

Lupron & Eligard

- Both Lupron and Eligard are now classified as exception drugs
- Clients with existing approvals will be grandfathered. All new applications must meet the established criteria.
- Please see Yukon Drug Formulary for criteria

Firmagon

- Firmagon is classified as exception drug now
- Clients with existing approvals will be grandfathered. All new applications must meet the established criteria.
- Please see Yukon Drug Formulary for criteria

Pleurx Drainage Kit

- Extended Benefits would like to share clarification regarding coverage applications for Pleurx Drainage Kits, specifically related to the roles of physicians and pharmacists in the application process.
- Please note that coverage consideration is based on information submitted by the prescribing physician.

Attached is a memo outlining:

- The application process for Pleurx Drainage kits
- The specific information physicians must provide for coverage to be considered
