

**Yukon Communicable Disease Control
4 Hospital Rd, Whitehorse, Yukon Y1A 3H8**

November 22, 2021

Dear Parents, guardians, students and staff,

This letter is to inform you that Yukon Communicable Disease Control (YCDC) has been made aware of a **positive case of COVID-19 at École Émilie-Tremblay** affecting the:

- Grade 5/6 Split Class, from Wednesday November 17th to Friday November 19th, 2021

Students and staff who attended or worked in the above class have been identified as close contacts of COVID-19. COVID-19 is a respiratory illness that is spread through droplets when a person coughs, speaks, or by touching surfaces contaminated by the virus with your hands and then touching your face before washing your hands.

A risk assessment has been completed by YCDC. After careful analysis, we recommend the following for students and staff connected to the above class:

- If you are not significantly immunosuppressed due to illness or medication AND have received 2 doses of COVID-19 immunization, with the last dose prior to November 3rd, we recommend you self-monitor for symptoms through December 3rd.
- If you are significantly immunosuppressed due to illness or medication AND have received 3 doses of COVID-19 immunization, with the last dose prior to November 3rd, we recommend you self-monitor for symptoms through December 3rd.
- All others not fully immunized are recommended to self-isolate until November 29th, inclusive, and self-monitor for symptoms through December 3rd.

It is very important that if any symptoms develop, no matter how mild, that you arrange for testing. Symptoms to self-monitor for include:

• Fever	• Sore throat	• Loss of appetite
• Chills	• Loss of sense of taste or smell	• Nausea and vomiting
• Cough	• Headache	• Diarrhea
• Shortness of breath	• Fatigue	• Muscle aches
• Runny nose		

If you develop any symptoms, no matter how mild, contact the COVID Testing and Assessment Centre (CTAC) in Whitehorse at 867-393-3083. When calling CTAC, please mention that you are part of the École Émilie-Tremblay notifications.

If you are eligible for COVID-19 immunization and not yet fully immunized, please book your immunization after your isolation period has ended. For general information on COVID-19 see yukon.ca/en/covid-19-information
