Dear Parents, guardians, students and staff,

This letter is to inform you that Yukon Communicable Disease Control (YCDC) has been made aware of a **positive case of COVID-19 at Holy Family Elementary School** affecting the:

- Kindergarten class, on November 8th

Please note, the Grade K/1 split class is **NOT** affected. **Students and staff who attended or worked in the above class have been identified as close contacts of COVID-19.** COVID-19 is a respiratory illness that is spread through droplets when a person coughs, speaks, or by touching surfaces contaminated by the virus with your hands and then touching your face before washing your hands.

A risk assessment has been completed by YCDC. After careful analysis, we recommend the following for students and staff connected to the above class:

- If you are not significantly immunosuppressed due to illness or medication AND have received 2 doses of COVID-19 immunization, with the last dose prior to October 25th, we recommend you self-monitor for symptoms through November 22nd.
- If you are significantly immunosuppressed due to illness or medication AND have received 3 doses of COVID-19 immunization, with the last dose prior to October 25th, we recommend you self-monitor for symptoms through November 22nd.
- All others not fully immunized are recommended to self-isolate until November 18th, inclusive, and self-monitor for symptoms through November 22nd.

It is very important that if any symptoms develop, no matter how mild, that you arrange for testing. Symptoms to self-monitor for include:
