

Yukon Communicable Disease Control
4 Hospital Rd, Whitehorse, Yukon Y1A 3H8

November 14, 2021

Dear Parents, guardians, students and staff,

This letter is to inform you that Yukon Communicable Disease Control (YCDC) has been made aware of a **positive case of COVID-19 at Vanier Catholic Secondary School** affecting the following classes:

- Period 5, Room 26: French 9, on November 8th
- Period 6, Room 26: French 8, on November 8th and 9th
- Period 8, Room 3: Skills Class, on November 9th

Students and staff who attended or worked in the above classes have been identified as close contacts of COVID-19. COVID-19 is a respiratory illness that is spread through droplets when a person coughs, speaks, or by touching surfaces contaminated by the virus with your hands and then touching your face before washing your hands.

A risk assessment has been completed by YCDC. After careful analysis, we recommend the following for students and staff connected to the above class:

- If you are **not significantly immunosuppressed** due to illness or medication AND have received 2 doses of COVID-19 immunization, with the last dose prior to October 25th, **we recommend you self-monitor for symptoms through November 23rd.**
- If you are **significantly immunosuppressed** due to illness or medication AND have received 3 doses of COVID-19 immunization, with the last dose prior to October 25th, **we recommend you self-monitor for symptoms through November 23rd.**
- All others **not fully immunized** are recommended to **self-isolate until November 19th, inclusive, and self-monitor for symptoms through November 23rd.**

It is very important that if **any** symptoms develop, no matter how mild, that you arrange for testing. Symptoms to self-monitor for include:

- | | | |
|------------------------------|--|------------------------------|
| • Fever | • Sore throat | • Loss of appetite |
| • Chills | • Loss of sense of taste or smell | • Nausea and vomiting |
| • Cough | • Headache | • Diarrhea |
| • Shortness of breath | • Fatigue | • Muscle aches |
| • Runny nose | | |

If you develop **any** symptoms, no matter how mild, contact the COVID Testing and Assessment Centre (CTAC) in Whitehorse at 867-393-3083. When calling CTAC, please mention that you are part of the Vanier Catholic Secondary School notifications.

If you are eligible for COVID-19 immunization and not yet fully immunized, please book your immunization after your isolation period has ended. For general information on COVID-19 see yukon.ca/en/covid-19-information
