Community Health Programs

Sexualized Assault Response Team (SART)

SART is a safe network of agencies that offer medical, legal and victim support services related to sexualized assault in the Yukon. SART services can be accessed by victims of any age, gender, and sexual orientation of both recent and historical sexualized assaults, family members and loved ones supporting a victim, as well as support workers and other professionals..

For more information: visit sartyukon.ca or call 1-844-967-7275 (Yukon-wide, confidential support line available 24/7).

Yukon Children's Dental Program

This is a school-based public dental program that provides diagnostic, preventative and restorative services to Yukon children. Clinicians provide dental services to both urban and rural communities.

For more information: visit yukon.ca/en/health-and-wellness/babies-and-childrens-health/find-childrens-dental-healthservices.

Immunization Program

This program provides routine immunizations to infants, pre-kindergarten children and youth in grades 6 and 9. Children up until the age of 18 are eligible to receive these publicly-funded immunizations for free at local health centres. Pharmacists can also provide certain vaccines such as influenza and HPV to children age 5 and older.

For more information: visit yukonimmunization.ca.

Hearing Services

Hearing Services offers hearing tests and auditory processing screenings, as well as the prescription, dispensing, fitting and maintenance of assistive listening devices. This service also provides audiological recommendations and counselling to parents. Parents/guardians may self-refer their children to Hearing Services.

For more information: visit yukon.ca/en/health-and-wellness/babies-and-childrens-health/get-hearing-screening-and-supports-children or call 867-667-5913 or 1-800-661-0408, extension 5913.

Social Supports

Disability Services

Disability Services provides supportive services to strengthen a family's ability to care for their child with a disability. Social workers assess the needs of the child and family with the parents/caregivers to determine the services they need. These services may include specialized services, funding, and access to consultants.

For more information: visit yukon.ca/en/health-and-wellness/babies-and-childrens-health/find-supports-your-child-disability or call 867-393-7464 or 1-800-661-0408, extension 7464.

Family and Children's Services

Family Resource Unit

The Family Resource Unit offers a universal, low-barrier program for all Yukoners with children under 19 years of age. It provides home visiting supports to Yukon families and offers strength-based parenting group sessions aimed at improving caregiving skills, connecting families with resources and assisting in addressing topics of interest to parents of children.

For more information: call 867-667-3002.

Youth Achievement Centre

The Youth Achievement Centre offers day and after-school programs that provide a variety of educational and skill-based programs as well as leisure and well-being activities. These programs and activities are for youth at risk in the community, in the criminal justice system and in the child welfare system.

For more information: visit yukon.ca/en/legal-and-social-supports/supports-youth/find-programs-youth-risk-or-youth-justicesystem, call 867-667-3759 or email yac@yukon.ca.
