Yukon Coroner's Service was advised of a fatality resulting from single vehicle roll-over which had occurred near km 277 of the North Klondike Highway (2 kms south of Braeburn) at approximately 0730 on the morning of August 19, 2020. Preliminary investigation suggests that the vehicle was north-bound in a highway construction zone when it struck some loose gravel on the edge of the highway. The driver was found to be deceased at the scene and two passengers were transported to Whitehorse General Hospital for medical treatment.

The driver has been identified as 22 year-old Cassandra Kindness MILLER of Whitehorse.

Yukon Coroner's Service continues our investigation with the assistance of Carmacks RCMP.
