FONDS DESCRIPTION

OTTO NORDLING FONDS. — [ca. 1898-1978]

Physical Description:

98 photographs. — .67 m of textual records. — 2 maps.

Biographical Sketch:

Otto Nordling was born in Sweden in 1893, and came to the Yukon as a child. After graduating from the Dawson high school he worked in Dawson as a banker until shortly before WWII, when he became a career army officer. He married Captain Margery Langly in Vancouver in 1945. Nordling actively encouraged Yukon to develop a new coat of arms and flag, helped promote the works of Yukon balladeer Thomas Brooks, and strongly supported the various sourdough organizations. Nordling compiled a collection of newspaper clippings about and correspondence with Yukon sourdoughs, intending to write a history of the Yukon and its early residents. The Nordlings moved from the Yukon to North Vancouver in the 1970s. Otto Nordling died in 1978.

Custodial History:

Accession 79/34 donated to the Yukon Archives by Margery Nordling.

Scope and Content:

The fonds consists of Otto Nordling's reference files and photographs that he compiled in preparation for writing a history of Yukon's early settlers, as well as files resulting from Nordling's interest in the Territory's politics, and status in Canada. The fonds also contains photographs collected by Nordling of the historical figures he was planning to write about and two maps of the Mount Black and Mount Martha Black areas. The collection has been arranged into media groupings: Part 1 Textual Records, Part 2 Photographs, Part 3 Publications, and Part 4 Maps.
