

**Amendments to
Companion Policy 52-109CP to National Instrument 52-109 *Certification of
Disclosure in Issuers' Annual and Interim Filings***

1. ***Companion Policy 52-109CP to National Instrument 52-109 Certification of Disclosure in Issuers' Annual and Interim Filings is amended.***
2. ***Part 1 is amended by adding the following after section 1.4:***
 - 1.5 **Accounting terms** – The Instrument uses accounting terms that are defined or used in Canadian GAAP applicable to publicly accountable enterprises. In certain cases, some of those terms are defined differently in securities legislation. In deciding which meaning applies, you should consider that National Instrument 14-101 *Definitions* provides that a term used in the Instrument and defined in the securities statute of a local jurisdiction has the meaning given to it in the statute unless: (a) the definition in that statute is restricted to a specific portion of the statute that does not govern continuous disclosure; or (b) the context otherwise requires.
 - 1.6 **Acceptable accounting principles other than Canadian GAAP applicable to publicly accountable enterprises** – If an issuer is permitted under NI 52-107 to file financial statements in accordance with acceptable accounting principles other than Canadian GAAP applicable to publicly accountable enterprises, then the issuer may interpret any reference in the Instrument to a term or provision defined or used in Canadian GAAP applicable to publicly accountable enterprises as a reference to the corresponding term or provision in the other acceptable accounting principles.
 - 1.7 **Rate-regulated activities** - If a qualifying entity is relying on the exemption in paragraph 5.4(1)(a) of NI 52-107, then the qualifying entity may interpret any reference in the Instrument to a term or provision defined or used in Canadian GAAP applicable to publicly accountable enterprises as a reference to the corresponding term or provision in Part V of the Handbook..
