

## Electrical Bulletin – Roof Mounted PV Installs

April 7<sup>th</sup> 2022

Re: Building Permit Requirements

---

Electrical permits for roof mounted photovoltaic installs will no longer be issued until a building permit has been obtained from the appropriate authority having jurisdiction. Please submit a copy of your building permit number with the electrical permit application to expedite the process.

Thank you,

A handwritten signature in black ink, appearing to read "Logan Collins", with a large, stylized flourish at the end.
