

# SUPPORT LETTER TEMPLATE

Community safety planning funding program

**Use the text below to create your support letter.  
Do not forget to get the appropriate signatures needed for your project.**

Chief and Council of **First Nation** is pleased to support the application for the attached Community Safety Planning Program. The Community Safety Planning Program is an important component in supporting **First Nation**-led community safety planning and implementation.

**If applying for Stream 1 funding,**

use this paragraph and delete Stream 2 paragraph:

To increase safety within the community, **First Nation** would like to undergo a safety assessment (Stream 1) to identify areas of concern and accompanying propositions for implementation to enhance safety.

**If applying for Stream 2 funding,**

use this paragraph and delete Stream 1 paragraph:

To increase safety within the community, **First Nation** would like to implement initiatives that are identified within or are directly connected to our community safety plan (Stream 2) as described in our attached application.

Any amendments or changes to this application will require the consent of Chief and Council or **other** as our approved, decision-making contact for this application and project.

Sincerely,

---
