

## Yukon Early Learning and Child Care Funding Program (YELCC)

Pro-rate parent fees

---

### How do I pro-rate payments to determine a family monthly contribution?

The information below outlines the distribution of the funding for a child care space based on the number of days a child is enrolled per month in a licensed child care program.

Funding for part-time enrolment will be pro-rated based on the number of days a child is enrolled in the program.

The YELCC funding to operators is based on an average of 20 days per month over a year, and operating five days a week.
