

Animal inventory

Record the details of the identity and number of animals on your farm, as well as their arrival and removal. Use multiple pages if you need to.

Animal ID (tag #)	Name / other ID	Species	Breed	Sex (Circle one)		Date of birth	Date of purchase	Purchase source	Date of removal		
				M	F				Death	Sale	Slaughter
				M	F				Death	Sale	Slaughter
				M	F				Death	Sale	Slaughter
				M	F				Death	Sale	Slaughter
				M	F				Death	Sale	Slaughter
				M	F				Death	Sale	Slaughter
				M	F				Death	Sale	Slaughter

Note: Yukon's *Animal Health Act*, Control Order 2018-001 (S12) states that: "A person who possesses a domestic sheep or a domestic goat must maintain records of it, including documentation of its date of birth, sale, purchase, natural death, or slaughter."
