

Instructions: Read the Program Guidebook before completing this form at [yukon.ca/mineral-exploration-funding](http://yukon.ca/mineral-exploration-funding)

Section 1: Contact information		
Company/applicant		Yukon corp. access #
Project name		
Contact person		Contact title
Address		
Phone	Fax	Email
Field contact information (if possible)		
Contact person		Contact title
Address		
Phone	Fax	Email
Section 2: References and details		
<p>If you are applying for YMEP funding as an individual, briefly state your prospecting experience, training and any industry references (e.g., number of years, type of experience and/or attach a separate statement of qualifications).</p>		
<p>If you are applying for YMEP funding as a business or corporation provide a company website if available.</p>		
<p>Will you, as the applicant, be performing the majority of the work on this project? <b>If no</b>, provide details of employees and/or contractors.</p>		<p><input type="checkbox"/> Yes    <input type="checkbox"/> No</p>

Is the project currently funded or is funding currently being sought outside of YMEP? (Applicants may indicate N/A for Grassroots-Prospecting modules.)

Have you received YMEP (previously YMIP) funding in the past?  
**If yes**, provide years and YMIP/YMEP file numbers.

Yes  No

Have you discussed your proposal with a Yukon government geologist or a geologist with Yukon work experience? **If yes**, who?

Yes  No

### Section 3: Project information

Select one of the following modules:

Grassroots-Prospecting  Focussed Regional  Target Evaluation  Placer

Project name(s) or area(s)

Mining district

NTS map sheet(s)

Location of project (lat/long or UTM, zone)

Is the planned work currently on claims or off claims?

On claims  Off Claims  Both

Claim name(s):

Commodity(ies) sought:

First Nation traditional territories (check all that apply to your specific work areas):

- |   |  |
|---|--|
| <input type="checkbox"/> Carcross/Tagish First Nation   | <input type="checkbox"/> Ross River Dena Council                         |
| <input type="checkbox"/> Champagne and Aishihik First Nations   | <input type="checkbox"/> Selkirk First Nation                            |
| <input type="checkbox"/> First Nation of Na-Cho Nyäk Dun  | <input type="checkbox"/> Ta'an Kwäch'än Council                          |
| <input type="checkbox"/> Kluane First Nation  | <input type="checkbox"/> Tr'ondëk Hwëch'in                               |
| <input type="checkbox"/> Kwanlin Dün First Nation   | <input type="checkbox"/> Teslin Tlingit Council                          |
| <input type="checkbox"/> Liard First Nation   | <input type="checkbox"/> Vuntut Gwitchin First Nation                    |
| <input type="checkbox"/> Little Salmon/Carmacks First Nation  | <input type="checkbox"/> White River First Nation                        |
| <input type="checkbox"/> Gwich'in Tribal Council (transboundary)  | <input type="checkbox"/> Tetlit Gwich'in Council (transboundary)         |
| <input type="checkbox"/> Inuvialuit (transboundary)   | <input type="checkbox"/> Taku River Tlingit First Nation (transboundary) |
| <input type="checkbox"/> Dene/Métis of the Northwest Territories (transboundary, includes Acho Dene Koe)    |  |
| <input type="checkbox"/> Kaska Dena Council, which represents Daylu Dena Coun., Dease River FN, Kwadacha FN |  |
| <input type="checkbox"/> Tahltan Central Council (transboundary)  |  |

### Section 4: Project work plant

Proposed start date

Proposed end date

Number of working days

Number of workers

## Section 5: Project budget

Include a detailed list of activities and associated costs in the **Prospecting or Exploration Proposal**. Ensure that the work activities listed in the work plan are listed in the budget. A list of eligible and ineligible expenses is provided in the guidebook.

Total project budget:

YMEP funding sought

Item	Details	Total \$
<b>Daily living expense</b> No. of days x YG rate/person, per day		
<b>Travel</b> (state method: road, air, etc.)	Truck: total km x YG rate/km	
	Air	
	Other	
<b>Analyses/assay costs</b> Specify sample type and price/assay		
<b>Equipment rentals/supplies</b> Provide equipment model numbers which are used to determine rental rates		
<b>Contractors</b> State name and type of work		
<b>Line cutting</b> No. of km x price/km		
<b>Geophysical survey</b> Specify type of survey, # of km x price/km		
<b>Trenching</b> Specify equipment used and price/hour		
<b>Drilling</b> Specify diamond or percussion and rod size No. of metres x price/metre		
<b>Reclamation</b> Specify type		
<b>Report preparation</b>		
<b>Other expenses</b> (specify)		
	<b>Total</b>	

Any substantial changes to the proposed budget and the scope of work outlined in this YMEP application and the attached exploration proposal must be approved by the YMEP geologist or funding may not be provided.

## Section 6: Declaration of applicant

I/we are submitting this application for the purpose of obtaining financial assistance from the Government of Yukon. The statements herein and in all further submissions in regard to this application are, to the best of my/our knowledge, true and correct. I/we submit that, to the best of my/our knowledge, all aspects of this proposed project will be in compliance with existing municipal, territorial and federal codes, guidelines and laws. I/we understand that part of this application may be made available to the public in accordance with the *Access to Information and Protection of Privacy Act*.

The Department of Energy, Mines and Resources may verify all statements related to, and made in, this application.

1. I am the person, or a representative of the company or partnership, named in the Application for Funding under the Yukon Mineral Exploration Program.
2. I am nineteen years of age or older, a Canadian citizen or landed immigrant, the representative of the company or partnership, and a resident of Canada.
3. I have complied with all the requirements of the said program.
4. I understand that if this application is incomplete, I will be notified in writing and will have until March 31 to make the revisions. After this date, the application will be judged as incomplete and will be rejected.
5. It is the applicant's own responsibility to ensure all appropriate permits/licenses or Class 1 notifications and placer prior approvals are in place prior to commencing work.

Signature of applicant	Date
Name (print)	Position or title (if applicable)

### Submissions are to include two documents:

The attached form with all sections completed in full.

A Prospecting or Exploration Proposal with the following information:

1. **Previous exploration work:** A description of historic work done on the project area, if applicable. Include regional data and their significance to current models, a summary of relevant work including geological mapping, geophysics, soil, rock and other geochemistry, drilling, trenching, etc. and summary of significant results.
2. **Geological description:** A description of the regional and local geology and surficial geology, if applicable.
3. **Exploration target:** A description of the exploration target, including the commodities and/or minerals targeted, the deposit type, the relevant geology and the rationale for your project.
4. **Detailed workplan:** Describe the location of work, planned work activities (i.e. prospecting, geological, geophysical and geochemical surveys, gridding, line cutting, trenching, shafting, pitting, drilling, sampling (amount and type), reclamation, etc.), the number of days planned for each of the activities, sequence of work events, logistics, equipment, permit/license approval(s).

**Applicants are encouraged to include maps, figures and photos as appropriate.**

### Completed documentation can be mailed, dropped off, emailed or submitted via secure file drop by 5:00 pm Mountain Time March 31 to:

Derek Torgerson, Yukon Mineral Exploration Program  
Government of Yukon, Department of Energy, Mines and Resources  
Physical address: 102-300 Main Street, Whitehorse, Yukon  
Mailing address: Box 2703 (K-102), Whitehorse, Yukon, Y1A 2C6  
Secure file FTP site: <https://sft.gov.yk.ca/filedrop/YMEP>  
Email: [ymep@gov.yk.ca](mailto:ymep@gov.yk.ca)

**Note:** The **Application for Funding** and the **Prospecting or Exploration Proposal** must be complete and in order to qualify for assistance. Incomplete applications will not be approved. Applicants with incomplete applications will be contacted in writing (if time permits) and will have until the March 31 deadline to update and resubmit their application. As per the Government of Yukon Health and Safety system, abusive or threatening language or behavior towards Yukon government employees will not be tolerated. Individuals or representatives of companies that conduct this type of behavior will be banned from the YMEP program indefinitely.

*Access to Information and Protection of Privacy Act:* The personal information requested on this form is collected under the authority of, and used for the purpose of administering the Yukon Mineral Exploration Program. Questions about the collection and use of this information can be directed to the YMEP Geologist, Department of Energy, Mines and Resources, Yukon Government, Box 2703 (K102), Whitehorse, Yukon Territory, Y1A 2C6, (867) 456-3828. A list of successful applicants will be posted to the YMEP website.
