---------------	--	--

List breed(s):

Tag or physical identifiers on cattle that is (or that you estimate is) over 30 months of age:

Ovine		Are they micro-chipped? <input type="checkbox"/> Yes <input type="checkbox"/> No
--------------	--	---

List breed(s):

Swine		Herd mark number:
--------------	--	-------------------

List breed(s):

Other	Describe animal, breed and other information:
--------------	---

Use of meat

The meat from the animals listed is for: All for retail All not for further sale Both

If you selected both, clearly identify the animals that will provide meat for retail by indicating tag or physical identifiers:

Owner information

Name:

Do you have a Premises Identification Number (PID)? Yes No PID:

Declaration and signature

I, _____ attest that the animals

PRINT NAME

presented for slaughter (described above) meet all the criteria (described above). I agree that the age of cattle is determined using dentition and that cattle with an erupted second incisor is considered greater than 30 months of age.

I agree that the whole heads of swine slaughtered not using captive bolt or electric stunner are unfit for retail sale.

I agree that uncontaminated and viable meat from the head can be salvaged and remains be disposed of per government inspector directions.

I confirm that all information presented is complete and accurate.
