

EXTENSION OF STATUTORY TIMELINES

DEPARTMENT: Energy, Mines and Resources, Oil and Gas Resources Branch

STATUTE: *Oil and Gas Drilling and Production Regulation (OGDPR)*

SECTION: Ss.91(5)

REASON FOR TIMELINE:

Ss.91(5(a) of the OGDPR requires that a suspended well must be inspected once every 12 months.

ORIGINAL TIMELINE:

Chance Oil and Gas Ltd. is required to complete well inspections before August 31, 2020.

EXTENDED TIMELINE:

An extension would vary the deadline to inspect the wells at issue from August 31, 2020 to September 25, 2020.

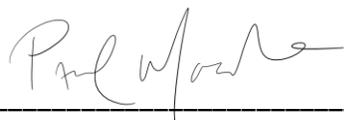

REASON FOR EXTENSION:

Travel restrictions within Canada are affecting the pace of work for Licensees.
