REMARKS:

Yukon Coroner's Service was informed of a death that had occurred following a motor vehicle incident at km 1556 of the Alaska Highway, east of Haines Junction on September 3. The single vehicle incident had occurred just before 11:30 in the morning. The vehicle, a Nissan Titan pickup, had two occupants when it left the highway and rolled as it crossed the ditch. Both occupants sustained serious injuries and were being transported to Whitehorse General Hospital by Yukon EMS personnel. The female occupant succumbed to her injuries before arriving in Whitehorse.

The deceased has been identified as 21 year-old Daria GLADKOV from Vancouver, Washington. Ms. GLADKOV and her husband were traveling from Washington to Alaska at the time of the incident.

Yukon Coroner's Service continues its investigation with the assistance of the Haines Junction R.C.M.P.. We also extend our appreciation to both Haines Junction and Whitehorse EMS teams and the Haines Junction fire service, all of whom provided assistance.

Yukon Coroner Services offers our sincere condolences to the family of Ms. GLADKOV.
