## Pace Car

I pledge to become a Pace Car driver by caring for others as I drive with courtesy and safety in mind. When driving, I will:

- drive within all posted speed limits, especially in residential areas and school zones;
- stop at all stop signs, red lights and for school buses with red lights flashing;
- stop for pedestrians at marked and unmarked crossings;
- not text while driving or drive impaired;
- be courteous to and share the road safely with all users, including bicyclists and pedestrians of all ages and abilities; and
- display the Whitehorse Pace Car decal in my vehicle.

## Lawn signs

I understand that only approved signs may be used and agree to place my lawn sign properly.

I understand that signs cannot be:

- mounted on buildings;
- installed in a way that blocks driver visibility; or
- placed on road rights-of-way, boulevards, pavement or sidewalks.

To participate in this program, I confirm that I understand:

the lawn signs are the property of the Neighbourhood Speed Campaign and will return the sign to my street's leader after the two-week display period is over;

the Neighbourhood Speed Campaign may recall signs before the two weeks are complete if my street's residents fail to comply with the stated requirements; and

I understand and support the Neighbourhood Speed Campaign. I will post the lawn sign and become a Pace Car within the guideline set forth below; or

I understand and support the Neighbourhood Speed Campaign. I do not wish to post the lawn signs on my property. I understand I will still be enrolled in the Pace Car program.
