

How to verify proof of vaccination

1 Verify

- There are two options for verifying a proof of vaccination credential:
 - use the Yukon Vaccination Verifier app and scan the QR Code or;
 - visually verify by looking at the bottom of the page to check if someone is fully vaccinated.

COVID-19 Proof of Vaccination / Preuve de vaccination contre la COVID-19

This document contains confidential information that is intended only for use by the named individual or as authorized by law. Any unauthorized disclosure, copying, or distribution of the contents is strictly prohibited. Issued on 05 JUL 2021. If this document is folded, ensure the QR code is not creased.

Ce document contient des renseignements confidentiels qui sont destinés uniquement à l'usage de la personne nommée ou à l'usage autorisé par la loi. Toute divulgation, copie ou distribution non autorisée de son contenu est strictement interdite. Délivré le 05 JUIL 2021. Si ce document est plié, assurez-vous que le code QR ne l'est pas.

2 View ID

- Anyone over the age of 19 must show one piece of government-issued photo ID.
- When looking at someone's ID, ensure that the name matches on their proof of vaccination credential and the photo matches the person.
