

March 4, 2021 at 4:30 p.m.

This information is subject to change without notice. Changes from the last update are highlighted.

Public update for the week of March 4, 2021.

Yukon numbers	Confirmed cases: 72	Recovered: 71	Negative tests: 6,581	Pending results: 22	Total tested: 6,675	Total vaccine doses administered: 18,158	Deaths: 1
----------------------	----------------------------	----------------------	------------------------------	----------------------------	----------------------------	---	------------------

Emergency status: The state of emergency was extended on March 3, 2021.

Health care

- The clinic at the Convention Centre in Whitehorse opened to all Yukoners age 18 and older on March 1. Eligible residents are encouraged to book appointments in advance. Walk-ins will not be accommodated until Thursday, March 11. Appointments can be booked online at yukon.ca/en/this-is-our-shot.
- Second vaccines for Yukon communities are underway. Residents age 18 and older will also have the opportunity to receive their first shot during the second visit. A third visit will ensure that everyone in the communities is able to get immunized. To book an appointment and find more information, visit yukon.ca/en/this-is-our-shot.
- Proof of residency will be required to receive a vaccination, such as government issued identification, a Yukon health care card, or mail displaying your name and address. After receiving a vaccine Yukoners must continue following health measures, such as wearing a mask.
- Yukoners are reminded to stay home and get tested if they have symptoms, however mild. Testing hours are 8:30 a.m. to 6 p.m., Monday through Sunday at the COVID-19 Testing and Assessment Centre.
- It is mandatory to wear a non-medical mask in all indoor public spaces.
- To help Yukoners at risk during this pandemic, people can access [mental health and social supports online](#).

Travel and borders

- Canada and the US have continued to extend the border closures to non-essential travel until March 21, 2021. As of February 15, all travellers are required to have a negative COVID test to cross land borders into Canada.
- Everyone entering Yukon is required to self-isolate for 14 days. Exceptions include critical services workers that have left the territory to perform their work duties and residents of border areas such as Atlin, Lower Post, Fire Side, Jade City, Fraser, Good Hope Lake and Pleasant Camp. Critical service workers must fully self-isolate except for when they are performing their duties.

Businesses and financial relief

- The Government of Yukon is extending and expanding several COVID-19 economic programs to support Yukon businesses: yukon.ca/en/news/covid-19-supports-yukon-businesses-continue.
- Learn more about a variety of supports available to help Yukoners during the pandemic by going to yukon.ca/en/economic-and-social-supports-covid-19.

Enforcement and other guidelines

- Yukon extended the state of emergency under the Civil Emergency Measures Act (CEMA) for another 90 days. This extension is critical to supporting the health, safety and economic wellbeing of Yukoners and ensures that all Ministerial Orders enacted under the State of Emergency remain in place, including the requirement for those entering the territory to self-isolate for 14 days. A full list of the orders and legislative changes made under CEMA can be found here: yukon.ca/en/health-and-wellness/covid-19-information/latest-updates-covid-19/legislation-changes-covid-19
- Report potential infractions to the Civil Emergency Measures Act at yukon.ca/en/cema-report.
