New this year!

We're selling grain products from Hinterland Flour Mill. Their local Breakfast & Baking bundle includes Barley Brownie mix (500 g), Yukon Barley Cereal (320 g) and Barley Pancake/waffle mix (400 g).

Selling Tips:

- Remind customers of date to pick up their bundle AND give them a customer information form
- Have cheques payable to the school
- Avoid carrying a lot of cash
- Focus your fundraising on friends and family

Donations

Ask customers if they'd like to buy a bundle for donation. They will be distributed to families in need or a local organization.

*use green column for donated bundles
