

ENVIRONMENTAL HEALTH SERVICES  
**SEPTIC TANK AND SEWAGE HOLDING TANK  
INSTALLATION DECLARATION**

Under the Sewage Disposal Systems Regulation septic and sewage holding tanks must be CSA certified. Septic and sewage holding tanks may have specific requirements for installation in order to maintain their CSA certification. Product suppliers should be able to provide these requirements.

Complete this form and return to Environmental Health Services within 30 days of installation of the sewage disposal system. Failure to do so may result in delays in issuing Approval to Use.

Permit information			
Permit holder's first name	Last name	Permit number	
Mailing address		Postal code	
Phone	Email		
Legal description			
Lot #	Subdivision	Plan #	Community
Municipal address (if known)			
Installer (if different than permit holder)			
Name			
Phone	Email		
Installer's declaration			
<input type="checkbox"/> Manufacturer's installation requirements have been met, which includes those for:			
<input type="checkbox"/> Bedding material – type used: _____			
<input type="checkbox"/> Excavation – dimensions meet requirements			
<input type="checkbox"/> Ballasting (applicable for tanks installed in a wet excavation)			
<input type="checkbox"/> Backfill – soil depth over tank: _____			
<input type="checkbox"/> Condition of excavation
