

Yukon Sawmill Company Office

Yukon Historic Site

Dawson City, Yukon

Photo: Government of Yukon

The Yukon Sawmill was one of the first sawmills of the Klondike. This building played an important part in the evolution of the timber and mining industries in the area, and helped to establish Dawson City as an industrial and commercial centre.

It still stands today as a reminder of the Klondike era.

To learn more about the Yukon Sawmill, please visit <http://register.yukonhistoricplaces.ca>
