¹ Includes people who receive regular income benefits whether or not they participate in one of three employment benefit programs, namely Skills Development Program, Job Creation Partnerships Program and Self-employment Program.

² The numbers may not add up to totals due to rounding.

Notes to Readers:

- No methodological changes were made to the Employment Insurance Statistics (EIS) program over the COVID-19 period. EIS reflect the Employment Insurance (EI) program for the Labour Force Survey (LFS) reference week in each month.
- The number of beneficiaries is a measure of all people who received regular EI benefits from July 9 to 15, 2023. This period coincides with the reference week of the LFS.
