## Unemployment Rate by Province/Territory (seasonally adjusted) <br> 14.8

$p$
${ }^{1}$ All territories' monthly figures are based on three-month moving averages and are, therefore, not included in the overall figures for
Canada.
2 'Change' is measured in percent, or percentage points, where applicable. Percentage points are the actual numerical difference between two percentages, such as: $10 \%-8 \%=2$ percentage points.
${ }^{3}$ All estimates are rounded to the nearest hundred.
