

Highlights:

- The estimated population of Yukon on December 31, 2019 was 41,761; an increase of 1,044, or 2.6%, compared to the figure for December 31, 2018 (40,717).
- Comparing December 31, 2019 to December 31, 2009, Yukon's population increased by 7,604, or 22.3%. The population of the Whitehorse area increased by 6,650, or 25.5%; Dawson City increased by 418, or 22.3%; and Watson Lake decreased by 56, or 3.6%.

Notes on methodological changes: Prior to 2012, the Yukon Bureau of Statistics (YBS) produced population figures twice a year. Effective 2012, figures are produced quarterly.

Official population counts prior to June 2010 were based on information in Yukon Health Care Insurance Plan (YHCIP) files and a semi-annual health care update survey that estimated the number of plan members who were no longer Yukon residents. In 2010, the estimation model was revised and the population counts for June 2010 through December 2014 were derived by tracking changes in YHCIP files and other administrative data files. In 2015, the model was further revised to make the approach more comprehensive and to improve accuracy based on information in all available and applicable administrative data files of the Yukon government. In addition, the total population count of April 2011 was calibrated to a census-based estimate adjusted for net undercoverage.

The new model assigns residents of unorganized areas to their nearest communities. Estimates for Whitehorse now include population in surrounding areas as well as in Marsh Lake to remain comparable with the geographical area defined by Statistics Canada as the Whitehorse Census Agglomeration.

All monthly estimates are as of the last day of the month. The June estimates represent annual figures.

Due to the change in methodology in 2015, figures presented in this publication for the period from April 2011 onwards are not strictly comparable to figures prior to the period.

Monthly Population, December 31, 1999 to December 31, 2019

- Yukon's population declined almost steadily from 1999 to 2001, and then fluctuated around 30,000 from 2001 to 2003.
- From 2004 through 2014, the population increased almost steadily in most quarters of every year except in 2013. From 2015 onwards, the upward trend in population growth gained momentum with very high growth rates recorded in many quarters, most of them being in 2016 and 2017. The December 31, 2019 population at 41,761 is the new record-high¹ for Yukon.
- On December 31, 2019, Yukon's population (41,761), increased by 353 people, or 0.9%, from the figure for September 30, 2019 (41,408), and increased by 1,044 people, or 2.6%, from December 31, 2018 (40,717).

¹ Accurate population counts during the Gold Rush are not available. However, the population figure in the first Census for Yukon (1901), was 27,219.

¹ June figures are referred to as 'annual'.

- During the fourth quarter of 2019, Yukon's population increased by 353 people from 41,408 on September 30, 2019 to 41,761 on December 31, 2019.
- Comparing the months of October through December of 2019 to their respective 2018 months, population increased: 2.4% in October; 2.2% in November; and 2.6% in December.

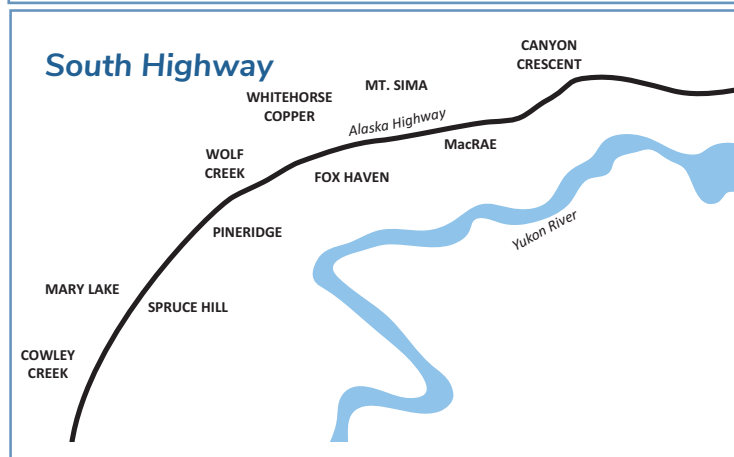

Population by Age Group and Sex, Yukon, December 31, 2009 and December 31, 2019

Comparing December 31, 2019 to December 31, 2009, growth occurred as follows (15-year age groupings):

- 0 to 14 years = increased 1,186 people, (21.0%);
- 15 to 29 years = increased 287 people, (4.0%);
- 30 to 44 years = increased 2,727 people, (37.3%);
- 45 to 59 years = decreased 180 people, (-2.0%);
- 60 to 74 years = increased 2,862 people, (71.2%); and
- 75 years and over = increased 722 people, (74.4%).

Population by Subdivision in Whitehorse Area

Note: Residents of Whitehorse area are assigned to subdivisions based on their addresses in various administrative files. Some addresses in these files appear inconsistent or incomplete. Efforts have been made to resolve any apparent inconsistency or incompleteness of information by validating the information against multiple sources. Changes in subdivision populations from one time period to another are not only due to natural population change and migrations, but may also be due to reassignments of previously inaccurate addresses on file.

Subdivision	Dec '18	Sep '19	Dec '19	Subdivision	Dec '18	Sep '19	Dec '19
Copper Ridge	3,657	3,679	3,654	Range Point*	1,206	1,202	1,199

Porter Creek/Kulan	3,882	3,957	4,022				
Raven's Ridge/Eagle's Eye	129	137	151				
Riverdale	5,498	5,509	5,461				

* Range Point replaces previous subdivision name of 'Takhini North'.
¹ Post Office Box refers to cases where the mailing address is only identified as a Whitehorse post office box and information on address is not available in administrative sources. Post Office Box includes General Delivery and Bag Services.
² Inconsistent Information includes residents who identified their city of residence as Whitehorse but their addresses recorded in administrative files show inconsistencies. Therefore, there is a possibility that some of these residents may in fact reside outside the Whitehorse area.
³ Outside City Limits-North includes those residents living from Takhini River Bridge up to and including Fox Lake.
⁴ Outside City Limits-South includes those residents living from Carcross Cut-off up to and including Annie Lake Road.
⁵ Outside City Limits-West includes those residents living from the Mayo Road Cut-off up to and including Mendenhall.
