

To keep your children and pets safe from accidental cannabis poisoning, **here's some tips on how to safely store your cannabis:**

Labels on all cannabis products

- Leave labels on your legal cannabis products.
- Make clear and visible labels for containers of your personally grown cannabis.
- If you make your own edible cannabis products, be sure to properly label them as well.

Label examples

Store in child-safe containers

- All legal cannabis products must be in child-resistant packages.
- Make sure they are appropriately resealed after use.
- Consider investing in a lockbox.

Keep out of reach of children and pets

- Make sure you properly store and dispose of cannabis and all related products in a place that is out of reach and out of sight of children or pets.
- When preparing homemade edibles, ensure all traces of cannabis have been cleaned up from the dishes used.
- If you use cannabis by smoking joints or using vaporizers, consider using outside to avoid exposing others to second-hand smoke.
- Avoid using when you are responsible for the safety of others.
